Recent studies show that farm people continue to decline. For those that remain on the farm the fact that cattle numbers are down is good news. Cattle numbers in Virginia have not changed from a year ago, but nationally cow numbers are down 5 percent from a year ago.

I believe you can already see this register with prices at local markets.

The Heifer and Bull Sale this Saturday at Red House should attract a lot of interest. I don't know where you could go and select a better set of heifers than at this sale. There will be 19 polled Herefords and 17 Angus offered.

Another sale that will interest hog producers is Board and Gilt Sale Thursday, February 23, at Farmville. There will be open and bred gilts available for your use.

George Shirey has a consignment in this sale.

In a muskmelon test at Virginia Tech last year the two top producers were Dixie Jumbo and Supermarket, with over 10,000 marketable melons per acre. For early yield Classic, Burpee Hybrid and Dixie Jumbo were tops at almost 10 tons of marketable fruit in the first two weeks of the harvest season.

Top varieties in taste were judged to be Classic, Ambrosia, Saticoy, Harper and Ball 1776.

Twenty -five varieties of table tomatoes were tested at Virginia Tech last summer. I'll give you the top three varieties in several categories. Total season yield: Sunrise, Westover and Better Boy VFN- all producing in excess of 40 tons per acre; Early Season (first 3 weeks): Sir Walter, PSR 46373 and Floramerica; % of total season yield as early crop: Castleprise VFN, Early Castlepeel and Sir Walter; Lowest percentage blossom end rot: Early Castlepeel, Westover, Red Pak; Lowest total percent culls: PSR 46373, Jet Star and Westover; Largest average size fruit: Bragger, Floramerica and Big Girl VF.

Grass tetany is on the loose in cattle. Treatment is costly and often may not be effective. Then what? Don't let it happen - practice control. A depletion of the magnesium is the cause. Prevention is see that your cattle get ½ to 1 oz. of magnesium oxide per day. How?

If cattle are on grain, mix 3 pounds of Mg0 to 97 pounds of grain and feed 2 pounds per day. If rate of grain feeding is higher, adjust Mg0 content accordingly. If you are feeding trace mineralized salt as you should be, mix TM salt with Mg0 in equal amounts.

Consumption can be increased by mixing Mg0 and TM salt in equal parts with cottonseed meal, dried molasses, ground corn, steamed bone meal of alfalfa meal.

I really have no preference how it's done as long as it's done.

Gretna Gains Favor

By Tamara Nash

Traveling to Gretna on February 8, Coach Ray Archer had a lot on his mind. He was not taking the same team to Gretna that had defeated the hawks earlier in the season. The Raiders still had a good chance at the game. But that was before the whistles began. The game was plagued with controversial calls and very few Raider associates left in a pleased state of mind.

The Raiders led the first quarter 12-10 and were looking forward to leading at the half when a Hawk took a 20 foot jumper with 4 seconds left and it was Gretna with a 25-24 lead at halftime. In the third quarter, it was the Raiders nine points behind the Hawks 44 but all was not lost. And then, the 'fun' began. The Raiders could do nothing but foul as whistle upon whistle filled the gym and the Raiders watched their chance slip away. Twenty-two shots made in the fourth quarter by the Hawks were from the foul line. And so, while making the same number of points from the floor, from the foul line it was a joke. The Raiders shot 75% from the charity line (12 for 17), but the Hawks held the game with 38 attempts from the foul line, making 21. And so, the game was won 63-54, to the delight of the Hawk players and fans.

For Appomattox, Larry Kelso had 17 points, Joe Fraley had 11, Arthur Hakins had 8, Darrell Schrock and Tony Hancock sunk 6 points worth, while William Hamlett had 4 and Shane Abernathy had 2.

JV Raiderettes Complete Season

On February 14th the JV Raiderettes traveled to Amherst to defeat them 51-38. The first half of play was rather evenly matched, with the score at halftime 22-18 in favor of Appomattox. During the 3rd and 4th quarters the JV Raiderettes turned on steam to pull out of reach of their opponents. Terri Robinson was top scorer with 17 points. Johnna Belter scored 11. Kim Hipps scored 12, Janet Griffin, scored 5. Angie Richardson scored 4, and Pam Guill scored 2.

The following day Appomattox defeated Jefferson Forest 38-24 in a very close game. Jefferson Forest played with a lot of hustle forcing the Raiderettes to say on their toes. Johnna Belter scored 12 points, Terri Robinson scored 6, Janet Griffin scored 4, and Kim Hipps, Sherri Repass and Karen Johnson each scored 2. On Feb. 16 the game with Gretna was cancelled due to snow. The JV Raiderettes completed a very successful season with a 9-3 record. A special thanks to the parents and fans who faithfully attended the games.

Raiders Conclude Regular Season

By Tamara Nash

And so, the Raiders end their regular basketball season with a 4-14 record in the district. 5-15 overall. They are eighth place in the district standings and therefore they've earned a tourney berth. The Raiders have overcome quite a bit this season - they've won, they've been trampled, they've lost players and gained players, they've been snowed out and they've been snowed under, sometimes playing up to four games a week.

Brookville is Appomattox's Tuesday night tourney opponent. They were also the Raiders' game opponent in the last game of the season, at Brookville. The Bees are big, but they didn't seem to overpower the Raiders at anytime throughout the game. The first quarter was the most unbalanced with Appomattox only making 9 points and Brookville earning 21. At the half, it was Brookville 45-23. Foul shooting contributed to the Raider loss as Brookville shot 75% from the free throw line while the Raiders did a little better than average, with 55%. In the third and fourth quarters, the Bees made 75% of their free throws plus 13 field goals and won the game 82-54.

High scorer for Appomattox was junior, Joe Fraley, with 16 points. Fraley was followed by Arthur Haskins with 10,Darrell Schrock had 8 and Tony Hancock had 7. Larry Kelso sunk 2 for 4 points, Shane Abernathy was good for 3, and Byron Roach, Steve Cobb and Phil Paulette had 2 apiece.

Raiders Command Respect

By Tamara Nash

As the Raiders began their last week of regular season play, a variety of thoughts were running through the stands. While the Raiders have suffered a lot of ill-respect and undeserved critism, they have proved their spirit, time after time, by not giving up. They know what it's like to be the champions, to be "short people", and to come out on the raw end of the deal. Actually, they've done more than we seemed to expect. We gave up more times than they did. It might be bad to watch a game as lopsided as 91-34 but it must be much worse to be playing on the 34 side of that score. Considering the height disadvantage of the Raider and the moodiness of the fans, the team and the coaches deserve much much more than we're willing to give our undying support.

Against Amherst on Tuesday night, the Appomattox team looked like the Raiders of old. The Raiders were virtually secure of their place in the tourney berth as they took on a team jumping from position to position, first, second, or third. Nobody expected the Raiders to win but they managed to keep the game within about 60 points. The quarter scoring went first, 14-11; second, 24-16; third 47-66; and final 58-38.

High scorer for Appomattox was Joe Fraley with 10 points, Larry Kelso and Steve Cobb had 8 apiece, followed by Arthur Haskins and Mike Campbell sinking 2 buckets each. Darrel Schrock had 3 points worth and Tony Smith had 1.

Queen Bees Win In Overtime

By Donna Mitchell

The Appomattox Raiderettes traveled to Brookville High School to meet the Brookville Queen Bees in a very important game for the Raiderettes.

The Raiderettes needed the game to decide who they would play in the tournament, but the Raiderettes were playing without one of their starting players. Marie Fraley was unable to play in the game because of illness, but the team rose to the occasion.

At the half, Brookville led 29-20, but the Raiderettes came back to play very well and tie the game 51-51 as time ran out. In overtime, the Raiderettes played fabulous ball but after numerous jump balls, the game ended 56-55 in favor of Brookville.

Appomattox shot 20 of 72 for 27% from the floor and Brookville shot 21 of 77 for 27%.

Appomattox shot 15 of 23 from the line for 65% and Brookville shot 14 of 27 for 51%.

The Raiderettes were lead by Roxie Martin with 27 points. Marlene Moore had 13 and Connie Harvey had 8.

The Queen Bees were lead by Doris Keys with 20 points and Cindy Gentry and Kelly Hunter had 10.

The Raiderettes meet Amherst at Jefferson Forest in the first round of tournament play on Monday, Feb. 20.

Bobby Layne - "Instant Points"

Bobby Layne, considered by some to be the best all-around athlete in ACHS history, is continuing his heroics at Lynchburg College.

Inserted in the starting basketball line-up, following an injury to Jim Crawford, Layne has scored 28, 22, 21, 32 and 21 points in the last five games for a sizzling 24.6 average.

The Hornet senior was a starter for LC during the 1974 and 1975 seasons but layed out two seasons before returning to LC this year. Coach Wayne Proffit says Layne has contributed both as a starter and a reserve this year. Coming off the bench he was instant points.

Layne played football, baseball and basketball at ACHS and won all-district honors in all three sports. He was voted Seminole District "Back of the Year" in football his senior year.

Layne is highly competitive and highly talented, a combination that is any coach's dream and it is a good bet that he will be in the starting line-up for LC when the Hornets host the Old Dominion Athletic Conference tournament on Feb. 24-25.
